

HIGHER-VALUE RARE BOOKS

a fund-raising division of Habitat for Humanity Charlotte, NC

1133 N Wendover Rd, Charlotte, NC 28211

In addition to our regular stock of old and/or rare books, Julia's occasionally receives volumes of greater estimated worth. We are seeking prospective buyers for these volumes.

"Lowest comparable online price" (LCOP) refers to the lowest price found on www.vialibri.com for books of the same or closest publication year, the same or nearest edition, the same or comparable condition. We do not consult ebay or thrift stores. Our prices tend to be one-third of the LCOP, but some are higher. We frequently re-check latest online prices, but this list does not always or necessarily provide the latest online price. No professional appraisals have been conducted. These prices are exclusive of shipping. Most of the books donated to Julia's are in fair condition, but the ones marked with an asterisk () are good or better. The books below are not listed in any particular order. We are happy to answer questions or provide photos of any angle of the book. Please email books@juliascfe.org for more information.*
